# Payment Terms

## Project Kickoff

**50%**

Due upon signing — secures your spot and starts the work. Non-refundable deposit.

## Training Complete

**50%**

Due upon completion of team training.  
System is live and operational.

**Additional work outside scope:** \$275/hour (via change order)

## What's Included in Every Package

- Full implementation & setup** — we build and configure everything
- Custom configuration** — built around your specific workflows
- System integrations** — connect to your existing software (PowerFab, FabSuite, etc.)
- Hands-on training** — we train your team until they're confident
- Documentation** — quick-reference guides for your team
- 1 month support** — included free after go-live

## Client Responsibilities:

- Software subscriptions (API costs, third-party tools)
- Hardware and mobile devices
- Existing system licenses (PowerFab, FabSuite, etc.)
- Travel expenses for on-site visits (airfare, lodging, meals, ground transportation — billed at cost or arranged by client)

## Ongoing Support Plans (After Month 1)

Plan	Monthly	What's Included
Maintenance	<b>\$1,500</b>	Updates, monitoring, bug fixes, 2 hrs/month consulting
Growth	<b>\$3,500</b>	Everything in Maintenance + optimization, new features, 5 hrs/month consulting
Managed	<b>\$7,500</b>	Full management, proactive improvements, unlimited support

*Support plans are optional — choose what fits your needs after the first month.*

### 60-Day Results Guarantee

If you don't see measurable improvement in your operations within 60 days of go-live, we keep working at no additional charge until you do. We're not here to sell software and disappear — we're here to make your operation run better.

### Ready to Talk?

Book a free 30-minute discovery call. We'll learn about your operation and show you exactly what's possible.
